## **BTBA Tenpintour 2023**

### **Introduction**

After several years of uncertainty, it was great that we were able to complete a full tour last year. Congratulations to the event winners all those that performed well in the Order of Merit which highlights great performances throughout the year.

As is usual we published a questionnaire at the end of the season to get our members views on what format we should be bowling for 2023 and overwhelmingly you voted to retain the bowl and go option that we introduced a few years back. However, you also decided that we should reduce the number of games bowled down from 8 to 6. As a result, you will see those changes reflected in the rules below.

During Covid we amended the rules to so that people moved together on the lanes reducing the contact with other bowlers. This year we will revert back to the standard of Left and Right moves. Giving you chance to socialise a bit more with the other bowlers.

We would still ask that anyone that has covid like symptoms in the week before the event do not attempt to compete. Entry fee refunds will be available for all such instances. While we are on that subject, we have tried to clarify our position on refunds so please take a look at that section in the rules below.

The proposed dates and locations, where known, have been published on the website. As we stated previously, the decision to remove the finals squad, is expected to remove some of the pressure on any one particular squad so we will be removing the 100-mile distance for priority that we used in earlier years.

Membership of the Tour remains open to all members of the BTBA and members of other UK National Tenpin Associations that are affiliated to the BTBA. There will be no additional fee for becoming a member of the Tenpintour. As previously notified, we are changing the age qualification limit. This year players need to be 49 before Jan 1<sup>st</sup>, 2023. Next year we will be back to over 50's only.

All information i.e. squad details, results etc, will be made accessible on the Tenpintour website which is available as a link from the main BTBA website [www.btba.org.uk](http://www.btba.org.uk). Regular emails will be provided to all those members who register their interest via our mail chimp registration page. Please use the link here to register, update your personal information, or unsubscribe from receiving any further emails.

## **1. Playing Rules**

### **1.1. General rules:**

These tournaments will be sanctioned by the B.T.B.A. and their General playing and Tournament rules will govern this event, together with the following special rules.

- All bowlers shall bowl a single 6 game block, moving lanes after each 2 games. In most cases we will be playing at doubles pace, but this will ultimately depend on the number of entrants and lane availability. To reduce disruption when moving lanes all bowlers will be required to remain on their lanes until all games are completed and they are advised by the tournament manager to move lanes.
- Final placing will be determined by total pin fall plus handicap

- If there are any ties for prize places, the prize money will be shared equally among the competitors involved.
- A provisional ball must be rolled if a dispute relating to pin fall that cannot be resolved immediately.
- Protests must be made within 30 minutes of any infraction occurring and confirmed in writing within 72 hours to the Tournament Manager.
- The Tournament Management Committee reserves the right to reject any entry and their decision on all matters shall be final, subject to an appeal to the B.T.B.A.
- The consumption of alcohol is forbidden during a Squad.
- The consumption of tobacco including electric substitutes is forbidden during a Squad.
- Bowlers are asked to wear Bowling attire that has their names visible on the back.
- To maintain the schedule, we reserve the right to start each squad up to 30 minutes before the published time. Registration for a squad will therefore close 30 minutes before the published start time. All bowlers are expected to be in the centre before registration closes. Practice will start 10 minutes before actual play. Late bowlers will start at the frame currently in progress when they arrive. Previous frames will count as Zero.
- For 2023, members must be 49 years of age before the 1st January, 2023.
- Squads will be allocated on a first come, first-served basis. No entries will be allocated places unless both the entry and the payment have been received.
- Bowlers not being allocated their first choice squad will be offered an alternative place, as close to the requested time as possible. If bowlers are unable to make the allocated squad then they must inform us and select from available spaces elsewhere.

## **2. Handicaps:**

The BTBA Tenpin Tour will be played as Handicap events

Handicaps will be calculated from a different scratch basis for Men and Ladies as follows:

- Men's handicaps will be calculated using a Tour Average of 230.
- Ladies' handicaps will be calculated using a Tour Average of 200.

The Bowlers Handicap will be 85% of the difference between their Individual Average and the Tour Average. Individual Bowling Averages will be adjusted before every tournament and will be published on the TPT Website.

Maximum handicaps for Men will be 70 and Women will be set at 80 pins.

These adjustments mean there is no longer a requirement for bonus points.

- It is the responsibility of all bowlers to ensure their handicap is correct, as this will NOT be INCREASED after play commences.

### **2.1. Individual Averages**

Individual Averages shall be determined from existing bowling averages in the following precedence:

1. Current Tenpintour tournament average over 18 or more games played within the previous 10 Tenpintour events.
2. Tenpintour tournament average over 18 or more games played during the previous season i.e. for 2023 we will go back to TPT1 2022.
3. Certified current highest league average (minimum 21 games) or Composite tournament average for events played in last 12 months (minimum 21 games) whichever is higher.
4. Players will use either their entering average or their current Tenpintour average whichever is higher until they have achieved a Tenpintour average over 18 games. (Options 1 & 2 above)
5. Bowlers without any current averages may enter the tournament with a handicap of scratch and their score will be used to determine their future Tenpin Tour Handicap after a minimum of 18 games have been bowled.

### **2.2. Sport/Challenge Averages**

Players that only have averages based on Sport or Challenge patterns will be re-rated as follows.

Challenge score +5%; Sport only +10% (combination of sport and challenge will be calculated pro-rata.)

### 2.3. Re-Rating

1. Where bowlers are unable to provide a Tenpintour average (options 1 & 2 above) their average will be reviewed after the initial 6 game block. If the average of these 6 games is more than 10% above the entering average, the players entering average will be re-rated to 2/3 of the difference between the entering average and the average bowled in the initial six games. Example:

1. Entering average =180
2. Bowled average =210
3. Re-rated entering average would be =200

### 3. Prize fund allocation

- Each entry will contain £10 prize fund and this will be the minimum amount that will be paid out at the end of each event.
- Prize money will be distributed by online payment into individual bank accounts within 3 days of the results being received by the administration team.
- All bowlers that finish in the top 25% (Approximately) will have their prize money of £10 paid back.

## 5. The BTBA Tenpintour British Masters (summary)

At the conclusion of the season, we will be running the BTBA Tenpintour British Masters. This will be a handicap event based on your Individual average at the conclusion of the season.

Eligibility for the event will be the same as for all BTBA Tenpin Tour events but you should have participated in 5 (five) events throughout the season to qualify. Depending on the number of entries received, we anticipate that there will be a separate Men's and Ladies section.

The event will run from Friday to Sunday. Each bowler will bowl two qualifying blocks of 4 games, one block must be played on Friday and the other block can be played on either Friday or Saturday. Re-entries may be available from Friday afternoon and throughout Saturday. Players will be cut after the qualification rounds, 50% playing in the plate on the Sunday Morning and 50% playing in the Masters in the afternoon.

Any bowlers that have significant difficulty bowling on the Friday should contact one of the TPT admin team to see if we are able to assist in any way. Full details of The Masters event will be published within a separate brochure later in the season
